NBL BLITZ

TRARALGON • SEPT 7-10

2017

EVENT PROGRAM

7-10 SEPTEMBER 2017

#Blitz17

Karen Cain
CEO, Latrobe Valley Authority

LATROBE VALLEY AUTHORITY

WELCOME NOTE
KAREN CAIN

It is with great excitement we welcome all eight NBL clubs to our region. The NBL Blitz, here in the Latrobe Valley, will boost our economy through the increase in regional and interstate visitors it brings. But more than that, the NBL is hosting a series of school clinics, sharing the skills and expertise of some of the world's best sporting talent with our students.

The Latrobe Valley Authority is working hard to build momentum to improve outcomes for our community. This work includes the Latrobe Valley Sports and Community Initiative, an $85 million investment in infrastructure and sporting events to ensure our region is a destination of choice for major events such as these. It also ensures our residents have access to world-class sporting facilities.

I'd like to take this opportunity to thank the NBL and its chief executive officer, Jeremy Loeliger, for their commitment to the region. Hosting a tournament featuring one the world's leading basketball competitions presents a major opportunity for the Latrobe Valley and our broader region.

Thank you also to the community organisations that have moved their own events from the Latrobe Leisure Traralgon Basketball Stadium to make way for the tournament.

I wish the players all the best and look forward to some fantastic matches. I hope the NBL Blitz inspires the next generation of Gippsland sports stars – perhaps one day we will see them back here playing in the NBL.

WELCOME NOTE
JEREMY LOELIGER

The NBL is delighted that the 2017 NBL Blitz is being held in the Latrobe Valley.

This is a fantastic opportunity to showcase the League outside of its traditional home towns, and a chance for all of us to take a moment ahead of the start of the 40th NBL season to engage with just a few of those regional communities that are so important to the continued success of basketball in Australia.

Across three days from the 7th-9th September, the NBL Blitz will host a range of exciting and inclusive events. These will include matches featuring all eight NBL sides at the Traralgon Basketball Stadium, school coaching clinics involving NBL players and coaches, and a number of kids and wheelchair basketball games held during the main event.

This is an exciting time for basketball in Australia and the NBL is most grateful for the support of the Victorian Government, the Latrobe Valley Authority and the surrounding councils and shires for being enthusiastic participants in making this wonderful event happen in a unique part of Victoria.

Thanks as well to all of you for coming to see the NBL Blitz in the Latrobe Valley.

Jeremy Loeliger
CEO of NBL

NBL NATIONAL BASKETBALL LEAGUE

THE NATIONAL BASKETBALL LEAGUE IS CELEBRATING ITS 40TH CONSECUTIVE SEASON. FOUNDED IN 1979, THE NBL HOLDS THE HONOUR OF BEING AUSTRALIA'S FIRST TRULY NATIONAL SPORTING COMPETITION.

After small beginnings the NBL is now regarded as one of the premier basketball leagues in the world. The high standard of competition is a key reason our men's National team – The Boomers – have always been so strong on the world stage and why last month the side was able to win the Asian Cup at their first attempt with a team made up solely of NBL talent.

In great news for Australian basketball fans, all 12 players who represented Australia at the Asia Cup will be playing for their club teams at this year's NBL Blitz in Traralgon, the 21st edition of this great competition.

The winning team of the NBL Blitz is awarded the Loggins-Bruton Cup, the trophy named after NBL Hall of Famer members Leroy Loggins and Cal Bruton who both won championships as US-imports before naturalising and representing Australia at the highest level.

All games in the tournament will be played for seven premiership points. Three points will be awarded to the winning team, with one point additionally awarded to the side that wins each quarter.

In the event a quarter is tied, both teams will receive half of a point. If a game goes into overtime, no additional points will be awarded.

Importantly, there are no finals played to decide the winner of the Loggins-Bruton Cup; the team with the most points after three games played will be declared the winner.

The best player of the tournament will be awarded the Ray Borner Medal. Borner is another NBL Hall of Fame member who in 1985 became the first ever Australian player to be named the NBL's Most Valuable Player (playing for the Coburg Giants). He also proudly represented Australia at four Olympic Games and three World Championships.
